

Trustee report for March 25, 2015

It is hard to believe we are at the end of March with secondary school students now well into their second semester work. I'm sure we all have had enough winter weather and are looking forward to spring and summer.

I am very pleased to announce that we now have an up to date, signed tuition agreement in place. The current tuition agreement between Hasting Prince Edward District School Board and AANDC will cover the period January 1, 2015 to August 31, 2019.

The agreement outlines the services and responsibilities that the Hasting Prince Edward District School Board will provide to insure that Mohawks of the Bay of Quinte Band Students have the opportunity for the best quality education available. It is also important to note that Mohawks of the Bay of Quinte is not a signatory to the agreement but has had a direct involvement in identifying needs to be covered by this tuition agreement.
