

**My name is  
Carl (Ted) Maracle and I  
am seeking your support for  
election to the position of  
Councillor of the  
Mohawks of the Bay of  
Quinte.**

I continue to believe in and work towards:

**Healthy Community:** a safe and wonderful place that this generation and our future generations will be proud of.

**Healthy Work Environment:** one in which every staff member is treated in a fair and consistent manner, encouraged, held accountable and supported to maintain or upgrade their skills which will enable them to deliver service with excellence.

**Transparency/Accountability:** keeping you informed regularly of all funding and spending issues, policy and program updates.

**Engaging the Community:** continuously seeking the community input through committees or other forums.

**Employment:** creating jobs and training opportunities.

**Education:** continuously encouraging, helping and assisting members in achieving their goals.

**Integrity:** always keeping my word and never promising anything more than doing my best.

Thank you to the community for the opportunity to have served as your councillor. I am asking for your continued support in this year's election.

There are many areas of concern such as the availability of clean/potable water, natural gas services, fire hall, enforceable bylaws, roads, housing, education, health, recreation, employment, economic development opportunities, land claims, funding, etc. There are more issues than there are funds and we need to be creative and responsible in addressing these issues in the most cost effective way.

**I am determined to continue to serve you, our community, in an open, respectful, honest, fair and consistent manner.**

My name is Carl (Ted) Maracle, I am the youngest of six children raised on Tyendinaga Mohawk Territory. I am married to Debbie, 37 years and father to two children; Melissa and Shalafae and have four grandchildren. Melissa is employed with the Ontario Aboriginal HIV/AIDS Strategy, has one daughter and two sons; Shalafae is continuing her studies through correspondence and has one daughter.

I was employed by the Mohawks of The Bay of Quinte for over 18 years as their in-house electrician before accepting a position in November 2010 as an Electrical Inspector with the Electrical Safety Authority. For over 20 years I had been a volunteer member of the Tyendinaga Education Committee. Also I've been a member of the Mohawk Pentecostal Church for over 30 years and have served as a Board Member, Secretary/Treasurer, Sunday School Teacher, Youth Leader and actively as a Worship Leader. I have also served as a volunteer on many steering committees over the years and have been involved in policy developments or amendments through-out our communities programs and services.

# **On Dec. 9, 2017, I ask for your vote!**
